Family Training on ADHD[®]

Have you been searching for a reliable source of information about ADHD and how to manage the issues related to the disorder?

The ability of parents to help their children navigate the hardships associated with ADHD is **STRONGLY** linked to the parents' understanding of ADHD.

Parent2Parent: Family Training on ADHD[®] allows family members to become experts in the management of their child's ADHD.

Training includes:

- An overview of ADHD
- Parenting strategies and positive behavior interventions
- Strengthening family relationships
- Education rights for your child with ADHD
- Building an education team
- Resiliency, teen challenges, and future success
